

Fundraising & Partnership Achievements

- Secured and managed a Google Ad Grant for Nonprofits to expand digital reach and donor engagement.
- Developed a new donor partnership with AdventHealth, securing a \$35,000 gift to support the Community Outdoor Activity Hub and expanded outreach programming.
- Launched and grew the 'Monthly HOPE Donor' program, creating sustainable recurring revenue and increasing donor retention through stewardship-focused messaging.
- Established a new partnership with KC Scholars (now Great Jobs KC) to expand community opportunity and workforce pathways.
- Built a partnership with Saint Luke's to provide food enrichment programming, including nutrition education and meal preparation support, and secured a \$15,000 contribution.
- Secured one of the largest awards from the Olathe Mayor's Children's Fund (February 21, 2023), totaling \$28,000 plus an additional \$4,000 in support.
- Created and implemented a beginner Computer Skills program for seniors and ESL students through grant funding and community collaboration.
- Wrote, secured, and managed grants from Health Forward, Mazuma Foundation (including the first staff development grant in 25 years), Sunflower Foundation, BPEP, HSF, and additional wellness-focused funding sources.
- Transitioned the organization to Bloomerang donor management software, establishing a centralized CRM system to track donor engagement, improve reporting, and strengthen fundraising strategy.
- Launched a consistent monthly and weekly donor and community newsletter to improve communication, transparency, and engagement.
